What Do We Believe?

Come Search and See.

People often ask us just what we believe. To answer this question, these 40 points of doctrine have been prepared, which cover the principle teachings of the Church of God.

This is the Holy Bible

What We Represent

These points of beliefs represent years and even lifetimes of study of the Scriptures on the part of dedicated men of God, who devoted their lives to "rightly dividing the Word of Truth." They are and have been the teaching of the Church of God for generations, and are in harmony with the doctrine as taught by Christ and apostles in the early days of the church.

All of these points of belief have been taken directly from the Bible God's Holy Word Which is our only guide; and scriptural reference are given after each one. Tracts are available on most of the subjects, and more information can be Obtained either by writing to the address at the back of this pamphlet or by contacting your local Church of God (7th Day).
